[Recipe Application](#)

Discovering your favorite recipes has never been easier with our React JS Recipe Application. With a simple and intuitive interface, you can search for recipes by entering the name of your desired dish or food.

Work Experience

International Underwriting Agency, NY — *Personal line Underwriter* Oct 2019 - PRESENT

- I assisted brokers for new submissions, found proper markets, prepared quotations, and bound new policies to get new business for the company to increase the profit by 60% - 70%
- I did in-person system training to help brokers quote by themselves, which increased submissions, sped up underwriting processes, and gained more businesses

An Liang Cheng Inc, NY — *Broker Assistant* Sep 2018 - Oct 2019

- Provided payment, endorsements, renewal processes for the customer to maintain existing business customers
- Did sales based on the customers' risk situation and reports to find a proper market and provided comparable or better insurance converge to gain new business clients for the company
